15 v.

16 HILLYARD, INC.,

17 Defendant.

Case No. 13-cv-04389 NC

**ORDER REGARDING FINALITY  
OF SETTLEMENT AGREEMENT**

Re: Dkt. No. 21

18  
19 Before the Court is plaintiffs' motion for preliminary approval of the class settlement.  
20 The Court is concerned that plaintiffs may have submitted a non-final or fully executed  
21 version of the settlement agreement. The settlement agreement references "section III.8.2"  
22 as including additional releases for the general class, but that section is not included in the  
23 settlement agreement. Dkt. No. 21-3 at 17. In addition, section I.i of the document has  
24 been left blank. *Id.* at 19. The Court cannot assess the fairness of apparently agreed-upon  
25 provisions that are not included in the document. Therefore, within seven days of this  
26 order, plaintiffs must either submit the final and fully executed version of the settlement, or  
27 inform the Court that the version submitted is final.
